

PAUL'S LETTER TO THE  
**EPHESIANS**

**Ephesians 3:14—4:16**

**Sermon Notes:**

To be \_\_\_\_\_ is to know that \_\_\_\_\_

When I limit my pursuit of God's love to \_\_\_\_\_ and \_\_\_\_\_,

I limit my \_\_\_\_\_ of God's love.

The pursuit of God's love and therefore wholeness,  
is meant to be done in a \_\_\_\_\_.

It has always been God's purpose for us  
to be \_\_\_\_\_ the love of God,  
and it has always been God's purpose for the earth  
to be filled with \_\_\_\_\_.

- Are the people who feed into your faith in the same generation as you?
- Do they come from the same cultural background as you?
- Are they in the same socio-economic status as you?
- Does your community consist of all single people? Or all married people?
- Who do I need to hear from?

**Next Sunday:**  
**Ephesians 5:20—6:9**
