

# Character Summer

# Hezekiah

When people are refused access to Christ by those closest to Him, the result is \_\_\_\_\_,  
\_\_\_\_\_ religion.

Ahaz's sins 'were his downfall and the downfall of all \_\_\_\_\_.

"For God, the \_\_\_\_\_ heart with the wrong ritual is better than the wrong heart with the  
\_\_\_\_\_ ritual."

Two visions of life:

S\_\_\_\_\_ and P\_\_\_\_\_

Durkheim:

- 1) People develop \_\_\_\_\_/\_\_\_\_\_ that are unique to them
- 2) The group comes up with an \_\_\_\_\_ to symbolize itself
- 3) People begin to \_\_\_\_\_ the animal (they \_\_\_\_\_ themselves!)

Questions to consider:

Where are you on the spectrum of pioneer vs settler?

Are you more of a folded arms/rule follower or attentive and celebratory to the world of God?

How might this season affect the immediate future ministry here at Comm Cov?
